**Sub: Bangladeshi Aakraman – Fresh encroachment at Indira Nagar,
Adarsh Nagar**

Dear Sir,

It is shocking that heavy illegal migration, encroachment, settlement is continued in the above area.

I visited this Zone yesterday afternoon. Please find enclosed photographs of the on-going fresh encroachment. Request to consider the following :

- 2000 fresh encroachment have come up during the year 2008 – 12,000 people.
- Massive operation of aakraman/encroachment and settlement of Bangladeshis is presently going on at Indira Nagar, Shanti Nagar, Adarsh Nagar, Bainganwadi near 90 ft. and BMC Dumping Yard, Govandi.
- Presently erection of 400 shanties, kachha zopadas is continued.
- The plan of Bangladeshi slum lords/political lords is to bring 400 families in these kachha shanties this Saturday/Sunday.
- Thousands of bogus/Bangladeshi applications were made in the Election Commission's Drive of August 2008. Out of 14,500 applications from this area, 13,237 applications have been rejected by the Election Commission.
- These applications are bogus/Bangladeshi and belong to this area.
- Current bomb attacks, terror links have also been observed to this area by ATS and investigative agencies.

We are sorry that the latest attempt is going on near Shivaji Nagar Police Station, BMC Dumping Yard and the authorities are silent?

We demand i:

- Immediate action and permanent bandobust/arrangement of police, Collectorate and BMC to stop further aakraman/encroachment.
- Whole of this illegal Bangladeshi encroachment should be removed immediately.
- All these Bangladeshis should be immediately deported.

Thanking you,

Yours truly,

sd/-
